School transport

Basic education in the municipality of Steinfort

With school transport, the
municipality aims to encourage
children to go to school by bus
or on foot and to avoid using the
car as a means of transport. The
two services offered, which are
free of charge, are provided in
the presence of attendants and
are available to pupils in cycles 1
to 4 (with the exception of early
schooling):

- **School bus**
No registration is required to use
the school bus. It is sufficient to
go to the bus stop.
- **Pedibus**
Registration for the Pedibus
service is MANDATORY.

Both services incorporate safety,
health, environmental and social
benefits for children.
