Subject: School year 2024/2025 - Cycle I (early education)

Dear parents, Dear Madam, Dear Sir,

The College of Burgomasters and Aldermen of the municipality of Steinfort hereby informs you of the possibility of applying for early education for the start of the school year 2024/2025, on 15 September 2024.

Cycle I is an integral part of the Luxembourg school system. It includes early education groups and pre-school classes.

Application to early education is free and attendance is not compulsory. It does, however, give children the opportunity to interact with other children in a playful way. From early childhood, which is a phase of intense development, children should be prepared for a life of independence, discovery and lifelong learning. Through contact with others, children can develop their language, communication and social, physical and motor, emotional and cognitive skills. Early education emphasises play, educational play and language training through practice. Foreign children have the opportunity to improve their Luxembourgish before starting pre-school education.

Admission age

Every child who is **3 years old by 1 September 2024** can be admitted to an early education class.

Timetable and reception

Early education runs from 8.00 to 11.45 am Monday to Friday and from 2.00 to 3.50 pm on Monday, Wednesday and Friday. For children not enrolled in the Maison Relais, arrival time is between 7:50 and 9:00 am in the morning and between 1:50 and 2:00 pm in the afternoon.
