The subsidy is granted once per household, every 10 years, for the same type of appliance. A subsidy can only be granted for an appliance with the highest energy class available on the market at the time of purchase (see list oekotopten.lu). In the case of a repair of an appliance, the number of subsidies is not limited.

The grant is subject to repayment if it has been obtained as a result of false declarations or inaccurate information.

Grants are awarded for acquisitions made and equipment installed from 1st January 2025.

Applications must be sent to the municipal administration **within a period of six months of the supply of the product or installation of the equipment.**

The municipal administration reserves the right to request any additional documentation if it deems it necessary in order to verify the compliance with the conditions for the award of the grant.

I, the undersigned, declare that the information provided on this form is accurate.
