Cutting or filling works with a height of more than 0.50m

Creation of retaining structures

Infrastructure works for the development

Any installation and renewal of connections to collective supply networks (drinking water, wastewater, rainwater and others)

Demolition of a building or part of a building with a volume of more than 50m³ as well as for garage outbuildings

Other / Details:

Dokuments to be attached

* 1 Papierexemplar ** 2 Papierexemplare

Completed Sheet "Données structurantes" (DS)*

Certificate issued by the Ordre des Architectes et des Ingénieurs-conseils (OAI)*

Energy performance certificate - including calculations and appendices*

Detailed calculation of the footprint, gross built-up area and soil sealing of the lot concerned in the case of a "new district" special development plan*

Planting plan*

Description of the configuration of the building elements*

Stability calculations for load-bearing structures provided by an engineering office or authorised person*

Calculation of the number of parking spaces*

Calculation of planted green areas*

Calculation of the area that can be converted in the attic (min. 50% > 1.80m)*

Official extract from the land registry, dated less than one year ago, at a scale of 1:2500 or 1:1250, clearly indicating the parcel(s) on which the work is planned*

Measurement plan less than one year old*

Topographic survey for steeply sloping terrain*

Location plan at a scale of 1:500 or 1:250, indicating the setbacks from the parcel boundaries, accesses, distances between constructions, buildable windows, dimensions of the planned constructions, the height of the buildings and the surrounding context**

Building plan(s) drawn to a scale of 1:100 or 1:50. Other scales are possible, in exceptional cases.**

A plan "enquête publique" including the layout, external arrangements and elevation views of the facades, not including any personal information, drawn up to a scale of 1:100 or 1:50. In cases, other scales are possible.*

Request for a CGDIS opinion (see form for more information)

Other (optional for better understanding)*:

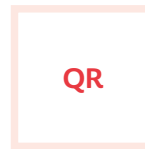

A building permit does not exempt the developer from complying with the regulatory requirements in force. The project owner must scrupulously respect the provisions of the building regulations, the general development plan, the specific development plan and all other legal and regulatory provisions in force.

I, the undersigned, declare that the information provided on this form is accurate.
